

A NOTE ABOUT VRH/STOCK HORSE PRACTICE WEEKENDS

You're going to have a great time! Riders on the Showteam always have first priority for these weekends, but there are also spots available for all VRH/Stock Horse Friends! If you haven't made it out yet, here's what you can expect.

Up to four coaching and practice sessions. The first ride will be Friday afternoon followed by two rides on Saturday and another ride Sunday morning. In total, four practice sessions are included. Come for all or come for a few.

- Cows
- Trail
- Reining
- Ranch Riding/Ranch Pleasure

You can arrive on Friday after 12:00pm and stay at the ranch until 12:00pm on Sunday.

Your horse's pre-bedded stall for two nights and an LQ/RV hook-up (electric/water) for two nights are both included in one flat fee for the weekend. Stall cleaning, included too! Whoop! There are 6 hook-ups, so secure your spot early.

Friday or Saturday night we will have a potluck dinner together. Shannon will BBQ or provide the main dish and each person will bring a small side. We'll fireside chat, enjoy time together and laugh about all our horse riding escapades.

The cost for the weekend, including stall/LQ hook-up is \$450. If you are an annual subscriber to SHOWTEAM coaching your discounted price is \$300

for the weekend, stalls and LQ hook-ups included. To secure your spot, sign-up by clicking the highlighted date in the calendar, fill in the electronic form and pay a deposit of \$100 to lock in your riding spot. You can pay with cash or check when you arrive for the weekend practice. In the event you need to cancel, no worries. You're deposit will be credited to a future lesson or another practice weekend.

I can't wait to see you out there!

Coach Pigott

- a small group. Shannon will come to each arena for practice coaching throughout the weekend. You will be given a trail pattern to practice, a reining pattern and a pleasure pattern.
- Dinner together will likely be Saturday night. Plan to bring a small side. Before the weekend Shannon will let you know the plan for the main course.
- Water and adult beverages are always available in the lounge.
- If you plan to bring your pup with you, please plan to leash walk. We don't want any furry pals hurt by an unfriendly pony.
